## Pastor's Corner

I was mesmerized this week as I watched the fields in front of the church get harvested for hay. It began last week when the fields were mowed and then this week a tractor came with its specialized attachment to gather the grass into rows. And there were lots of rows lined out in the field. A short time later two tractors came with their bailing attachments and gathered each row; and when the bailer was full it released a huge roll of hay. On Wednesday a tractor and flatbed arrived to gather up the harvest of bales of hay.

I was quickly reminded that this is how the church functions in evangelism. Everyone has a role to play. You are either praying, planting, watering, or being blessed to reap the harvest. Oh yes, every role is important and everyone celebrates the harvest. Let's all commit to be part of the evangelistic mission of the church by praying, sharing, inviting, and reaping the harvest when a lost sinner is saved by the marvelous grace of God. Every day is harvest day. Let's join in this calling for the sake of our community. God loves you and I do too.

**Memory Verse:** *So he prayed to the LORD, and said, "Ah, LORD, was not this what I said when I fled previously to Tarshish; for I know that You are a gracious and merciful God, slow to anger and abundant in lovingkindness, One who relents from doing harm."*  
-Jonah 4:2
