Pastor's Corner

The beginning of VBS is always an exciting time. All the planning, preparing, and praying over the past several months will be worth it when children of all ages begin to walk through the front doors of our church. What a beautiful sight to behold. What a challenging task ahead as we seek to teach the truth of the Gospel each night. It would be easier if we didn't have VBS. We would not be worn out each night. We could stay home and enjoy a stress-free week. We would not have to be rushed to get to the church early so we would be ready to welcome the children into the church. But what fun would that be?

VBS is too important. It is one of the greatest opportunities we have to impact the lives of the children within the church and those in our community by sharing the truth of who Jesus is and by showing them the love of Jesus in our words and actions. Another exciting aspect of VBS is that everyone in the church can be involved. Whether you are teaching or leading a group, or if you are on the safety team, worship team, media team, snack team, or you are committed to pray daily, we are all serving together. This is what makes the church better. We are better together because together we are the church. Thank you for serving! God loves you and I do too.

Memory Verse: *The Lord is great in Zion, And He is high above all the peoples.*

Let them praise Your great and awesome name – He is holy.
