Pastor's Corner

I've been thinking this week about our dining room table. It's at least 16-18 years old. It has its fair share of nicks and scratches. The chairs too have scratches and scuffs; and even some are broken and no longer usable. The dining room table is a place our family has gathered around numerous times. The dining room table has been a place where we have shared stories, celebrated birthdays and other special days, and it has also been a place where we laughed together as well as shed a few tears. The dining room table is more than just a place to eat; it is a place where relationships are deepened and memories are made.

The same is true for the tables in the church. The times we gather for small group Bible study around a table or for a fellowship meal are opportunities to forge our relationship with the Lord and one another. The table is where our lives connect as God's people, and where we have the opportunity to share our burdens and strengthen our relationships with one another. If it's been a while since you have gathered around the table with your church family, why not seize the opportunity today to join with your WBC family and enjoy a meal together. But more than that, enjoy building new relationships and strengthening your existing relationships with your Waterville family. There is always room for you around the table. I hope to see you in the fellowship hall after the service. God loves you and I do too.

Memory Verse: *Whenever I am afraid,
I will trust in You.
In God (I will praise His word),
In God I have put my trust;
I will not fear.
What can flesh do to me?
Psalm 56:3-4*
