DEMOLISH THE DEBT

Every 5th Sunday, we come together for Demolish the Debt, a special offering that helps us pay down the principal on our church debt.

You can give anytime, not just on a 5th Sunday. Simply mark your gift "Demolish the Debt," and it will go straight toward the principal.

Our next church-wide Demolish the Debt offering is Sunday, **August 30, 2026**.

PASTOR'S CORNER

I was reminded this week that, like a farmer, I must plant seeds if I want to see a harvest. Planting seeds is an important first step to a bountiful harvest. Without seeds being planted, the hope of a fruitful and bountiful harvest is zero. But when you plant the seed, you give yourself the opportunity to witness what happens after the seed is planted. Over a period of weeks or months, the seed germinates and produces its fruit of vegetation.

As believers, we are called to plant the seed of the Gospel. As we invite others to church, have compassion on those in need, give food to the hungry, and as we are given the opportunity to verbally share the Gospel, we are planting seeds. Or we may even be watering the seeds other believers have already planted. The hope we have is that over the course of time, the seeds we have planted will take root in the hearts and minds of those who are lost, and they will eventually trust Jesus as their personal Savior and Lord. Oh, what a glorious day that will be. You have seed to plant. This is your job. This is your calling. God will use your efforts to draw the lost sinner to repentance and faith in Jesus as Lord and Savior. Keep inviting. Keep planting. Keep expecting God to bring the harvest. God loves you and I do too.
