PASTOR'S CORNER

This past Monday we celebrated Labor Day. We enjoyed the day off and celebrated with our children and grandchildren. It is always a blessing when we can be together and enjoy family time. Most everyone was swimming, but the two youngest were swinging. I was enjoying my time pushing them and watching their faces light up as they went back and forth. After we ate and after a time of playing and watching part of a movie, it was time for the granddaughters to load up and head home. This is where a big blessing came my way.

As I was telling them goodbye, Noelle began to sing to me, Jesus Loves Me. She sang it again, and I joined her. It was a sweet and special time. After I closed the van door, Holly was hollering for me, so I opened the door, and she said she needed to sing me a song. Well, she sang the same song. I was doubly blessed that they wanted to sing to their Papaw. Makes me wonder how we bless God when we sing to Him. If I were you, I think I would ask God to open the door, and then I would sing to Him because I am sure He too would be doubly blessed to hear His child sing. God loves you, and I do too.

Pastor Rodney

Memory Verse:
But I want to remind you, though you once knew this, that the Lord, having saved the people out of the land of Egypt, afterward destroyed those who did not believe.
