PASTOR'S CORNER

I have an English Setter named Lucy. The other day when I went outside she barked at me. This is unusual behavior for her. I called her name and spoke to her. When I went inside, she barked again. I went back outside and she barked again, and then she looked over toward her doghouse. I went to see what she was looking at and found that her water dish was empty but the ground around it was wet. Sometime during the night, she had splashed it all out with her paws. As I was filling it up she began to drink and she didn't stop until she had quenched her thirst.

There are times in our spiritual journey when we become spiritually dry and thirsty. We are thirsty for God's presence, power, and peace. Circumstances have distracted our walk with the Lord. Certain seasons of life seem to make it more challenging to spend quality time alone with God. In Psalm 63 David was in a season of dryness and desperation. One action he took to satisfy his spiritual thirst was to praise and worship the Lord. If you are in a spiritually dry season and you find yourself thirsting and longing for God to quench your spiritual thirst, lift your voice in praise and worship. Cry out to God in praise. Call on Him to draw near and satisfy your thirst. Remember, He is near; He hears your prayer and He will satisfy your spiritual thirst. God loves you and I do too.

Pastor Rodney

Memory Verse:

For certain men have crept in unnoticed, who long ago were marked out for this condemnation, ungodly men, who turn the grace of our God into lewdness and deny the only Lord God and our Lord Jesus Christ.
